

Galit

N.O/N.C Hydraulically- controlled relay with 3- position handle all built into one unit. Suitable for opening & closing of hydraulic valves up to 16" and enables modifying N.O. valves to be N.C.

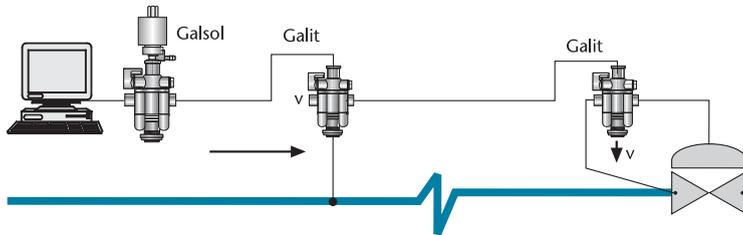

Applications

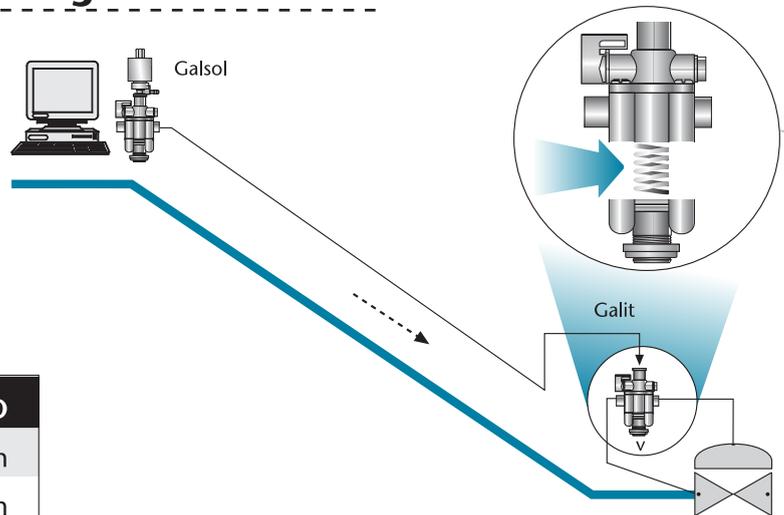

Remote Command

Signal Amplifier for long Distance

Solution for Topographic Height Difference

Springs Selection Table

		Galit N.C	Galit N.O
	Yellow	5-10m	5-10m
	Green	10-14m	10-15m
	White	14-17m	15-20m
	Red	17-22m	20-25m

TECHNICAL DATA

Maximum Operating Pressure:	10 bar / 150 psi
Minimum Operating Pressure:	0.5 bar / 8 psi
End Connections:	Female Threaded 1/8" BSP
Manual Override:	Auto, Open, Closed
Orifice Size:	5.8 mm / 0.226"
